PUBLIC COMMENTS

- Karen Brewer at 112 Noble View Dr, wanted to respectfully ask that the Town make a street out of the strip of asphalt in front of her home. She wanted a street to conform with the subdivision with sidewalks and gutters. The asphalt strip that is there now is crumbling away and is not big enough. Karen spoke to someone at Coweta County and was told that the Town of Turin was to maintain the private drive.
- John Piazza at 112 Noble View Dr, wanted to have on record that he brought attention to all the things that needs to be fixed in Graceton Farms's subdivision. The Town made the decision the recall the bond and nothing has been addressed.
