Old Business:

- **Budget 2026-27**
 - Councilmember Wallin gave the Mayor and Council an update on the 2026 budget. She advised council items previously coded in accounting were coded within the system, which need to be moved into other line items. Council member Wallin will work with the town clerk to resolve the coding going forward, allowing a more precise measure for determining our expenditures.
 - Additionally, Council member Wallin has been working with our accounting firms regarding our accounting and the methods affecting our reporting systems. The current software being utilized by the town is currently incompatible with our reporting needs.
- **Banking & Finance**
